November Editorial—*It's All About Time*

Daylight Savings Time (DST) is Ending!

Remember to set your clocks back before you go to bed on Sunday, November 6th

—OR—

Just leave your house and car clocks alone like I do. The time will be right again on Sunday March 12, 2023.

So, what's the hurry?

And speaking of procrastination, my motto has always been “Why do today what you can do tomorrow?” Since I'm still here at 70 years young, I guess that hasn't hurt me overly much.

California provides another good example of procrastination. The state voted to end DST in 2018, and still has not done so. However, this will all change in 2023. Earlier this year, the Senate unanimously approved a bipartisan bill that will make DST permanent effective March 12, 2023 across the entire U.S. This will finally put an end to the practice of changing our clocks twice a year. *Yahoo!*

The only parts of the U.S. that do not currently have DST are Hawaii, most of Arizona, Puerto Rico, the US Virgin Islands, Northern Mariana Islands, Guam, and American Samoa.

Why was *The Breeze* so late in October?

The publisher of *The Breeze* (MLB Group) has apologized for mishandling and losing our file. They also apologized for supply chain shortages including ink which prevented them from printing the file earlier this month. Please remember *The Breeze* is always available on our website: Palomar-Estates-East.org.

As regards the new website, I worked multiple contracts this summer and had to place it on hold. Our new goal is to have our new website up by January, 2023. The beta website address is gictest.com. We also need beta testers to review the structure and information, and provide feedback via email. Thank you.

Park Beautification

By Patty Gonzales, Interim PEERA Board Member

Ready to transform the exterior of your home?

No home improvement project revives, beautifies, and protects a home as quickly, effectively, and affordably as exterior painting. A new coat of paint can completely transform the look of your home. And while painting a home can be a big job, it's a project that can be completed in a week or two.

Thoughtful exterior color schemes add curb appeal throughout any community.

Calibrate the colors right, and you'll have a popular home that welcomes your visitors when they roll up. More importantly, a timeless color scheme will give you joy every time you return home for years to come.

Our new Book of Color is soon to be released.

The book will offer a nice mix of both modern and traditional color palettes to choose from. Whether you go for classic white or a more daring hue, the goal is to make the park management approval process seamless.

We did our research reviewing the Palomar West newly approved color palettes along with a few other communities. We feel confident there will be enough color choices to choose from. The palettes will guide you regarding the body paint color vs trim and doors. As residents use the color palettes, we will add photos of those homes to the book for reference. Of course, with homeowners' permission.

PHOTO IS AN EXAMPLE ONLY

BEFORE

DURING

AFTER

Homeowner 282 wanted a cottage color vibe. Together we chose four paint colors for the body, main trim along with accent colors for the awning and window trim. This color palette will be included in the book.

Millennium Memo

Despite recent turmoil in the housing market, home sale prices in Palomar East are still high by historical standards, averaging \$248K over the 12 months ending Aug. 31.

That's good news, of course, but has your homeowner's insurance kept pace with today's high values? Have you checked with your Agent lately to see if you are as protected as you think you are?

Not only are home values higher, but these days it can take months to get a new home delivered from the factory. In one case, we were told there was a 15-month backlog on orders. If you had a total loss, are you covered for all the costs you'd incur while waiting for your new home?

If you haven't talked with your Agent in a while, it might be worth a call. It might not cost that much to increase your coverages.

Your Rent Dollars at Work

Some fun items this time: new Pool Furniture, Shades in the Clubhouse, Picnic Tables, Driveway repairs, a new Maintenance Truck (Kasey is excited about that one), and a new Alarm Panel for the Clubhouse. That last item was added after the recent Office break-in. The cost for all this: \$40,809.

At the request of your little companion, we also sprayed the Dog Park for fleas.

Next up: remodel of the bathrooms by the Kitchen, which might be finished by the time you're reading this, plus some tree trimming. Your Park Staff has been busy!

By the way...Kasey told me that the new Clubhouse trim was painted "white." Not "vesper" or "whisper gray" or "winter snow," but "white." That paint store wasn't very imaginative, I guess.

More inspired, perhaps, is the name of the base gray color: "dove." That apparently is Kasey's favorite shade of gray. It looks good, doesn't it? Come by the Clubhouse and let us know what you think.

Some Fun Thanksgiving Trivia

Q. What does a Turkey drink from?

A. A goblet.

MARKET UPDATE & MANAGER'S REPORT

Martin Hernandez
Park Manager/Maintenance

We built new picnic tables and benches for the clubhouse patio area. Enjoy your new outdoor space.

HOME SALES

Three homes sold and three homes are currently for sale. The current housing market has not affected sales prices at Palomar East.

MAINTENANCE UPDATE

The palm trees throughout the park were trimmed and the restrooms by the clubhouse kitchen have been remodeled. In addition, the jacuzzi was deep cleaned.

NEW RENT DROP BOX

For security purposes, we have placed a new lock box for rental checks on the hallway wall across from of the office. It is inside the front door to the right where the clubhouse calendar used to hang. (The calendar is now located in the hallway leading to the cardroom.) Residents can enter the clubhouse to drop off rent payments from 8AM – 10PM.

For your convenience, you can always pay your rent online. Contact the office for details.

OUTSIDE STORAGE

Storage of anything behind or on the outside of your mobile home is prohibited. Items must be stored in your home or shed.

Using your carport for storage is a violation of the Rules and Regulations. It affects your neighbors, the appearance of our community, and is a fire hazard. Notifications of violations will be distributed accordingly.

SHORT & QUICK LIST

- Pets must be registered with the office.
- **Unregistered dogs and Visiting dogs are NOT permitted in the Dog Park.**
- Clean out your rain gutters. Winter is coming and rain is around the corner.

Your concerns and needs ARE IMPORTANT!

If it is not urgent or an emergency, we encourage you to email us:

PEERA

NOTIFICATIONS & ACTIVITIES by Carl Silva

November is the month for giving "Thanks."

At this time, I would like to take the opportunity to give special thanks to my PEERA board members for their hard work over the last two years: From helping to promote improvements to the best manufactured home park in the county, from the completion of the "Jim Gates Memorial Sports Park," to the clubhouse remodel (acoustical panels, ceiling lighting and fans, bathrooms, window coverings, and carpeting for the stage area) with much more to come!

Let me begin with my co-chair Don (Doc) Antrim, for putting together the park improvements' Wish List and election ballots for distribution to our members, along with being on the election committee and the use of his golf cart to distribute these items!

Second, to our awesome secretary, Kris Antrim, for doing a fantastic job recording our meeting minutes, and distributing them in a timely manner. Thank you Kris!

Third, to our treasurer Pete Eiden, for keeping our checkbook balanced.

Fourth, to our Community Service Chair, Henry Robicheaux, for keeping us informed of community activities within our park and bringing in some outside resources through SPARC to present at our functions.

Fifth, to our Membership Chair, Gordon Lilley, for keeping up on our current membership list along with adding new members. Thanks Gordon!

Sixth, to our Emergency Prep commander, Lanny Lippincot for keeping our Emergency Response Team organized and ready for action if needed.

Next, a thank you goes to our Publicity and Park Beautification Chair, Patty Gonzales, for contributing great articles for our newsletter, *The Breeze*, installing our message boards, redesigning our park map, and keeping our entrance sign updated and looking sharp. Great job Patty!

Your Voice in Our Community PEERA Board

Next, kudos goes out to Ken Hodor, for his technical support and persistence in pushing for an acoustical ceiling and upgrading of the lighting for our upper clubhouse. Thank you Ken!

Last, but not least, our Complaints Chair, Paul Thiboutot for being a great listener and following through on residents' concerns, and also helping out on the election committee. Thank you Pauly!

I would also like to thank our *Breeze* editor, Gayle Cinnamon for making my articles look good. And Wow! I really want to thank the Social Club for the outstanding events they planned and delivered in 2022.

With my term winding down and election results being announced in December, here's a reminder that most of the current board will return for another year and we hope to fill the current vacant positions.

I am planning to run for one of the member-at-large positions and to assist with the completion of the 2022 Wish List items, along with helping to develop the 2023 Wish List with additional needed park improvements.

I encourage anyone interested in serving our great park to also please consider running for one of our open positions. It has been a great run and I hope to continue to help improve our way of life in Palomar Estates East. Thanks again for your continued support. We can't be successful without you.

I wish you all a Happy Thanksgiving!

Carl
PEERA Board Chair

Why do we need PEERA?

A manufactured home community on leased land is definitely not like other communities. It takes many volunteers and their gifts of time and energy to keep our park looking good and running efficiently.

Whether you can help with just a little or a lot, it makes all the difference that you stand up if only for a few hours each year.

I've personally seen other parks lose their resident associations due to a lack of interest. The end result included decreased property values, increased space rents, and worse. To put it lightly, their communities dwindled and died.

Without PEERA, our community would not have a united voice with the City of San Marcos, the owners of the property we live upon, and the companies that manage this property.

Kindly consider being part of our great community by taking a stand today—Join and participate in PEERA.

Making New Friends ❤️ Caring and Sharing the Journey

November Welcomes in the Holidays!

With the arrival of November comes thoughts of family and friends ... gathered 'round the Thanksgiving table ... and then, before you can sing 'Jingle Bells', gathered 'round the festive tree and candles of light and love.

November officially kicks off the holiday season and wraps it all up with a nostalgic farewell to an old friend ... 2022 ... with arms open wide to a brand **New Year.**

The Social Club at Palomar East invites you all to a holiday season filled with fun and festivity in our beautiful community. Let's take a look ahead to what's coming up and mark your calendar to join us for some great events!

Upcoming Events

Thanksgiving Dinner

Be sure to turn out for our fabulous feast for all residents at the Clubhouse on Saturday, November 19, from 4:30 pm – 6:30 pm. There is no charge, but reservations are required for this popular annual event. Palomar East residents can make reservations in the Clubhouse on Saturday, 11/5 from 10 am – 12 noon, and on Friday, 11/11 from 10 am – 12 noon.

For more information, call Leslie Dranko at 760-295-2026 (no texts). See flyer on page 19 of this issue. Co-hosted by the Social Club and PEERA.

General Membership Meeting (Election Results)

The Social Club's last quarterly meeting of the year is open to all residents on Saturday, December 3, from 11:30 am – 1:30 pm at the Clubhouse.

Enjoy a light lunch and an exciting meeting as we announce and welcome in the newly elected Social Club Board Members for 2023!

Holiday Dinner

All residents -- get ready for another sumptuous dinner and a fun, festive experience together on Saturday, December 17 at 5 pm at the Clubhouse. There is no charge, but reservations are required (watch for details in the event flyer in the December Breeze).

We'll be mixing and mingling with Mr. and Mrs. Claus as our choir full of resident angels celebrates with favorite holiday songs. Co-hosted by the Social Club and PEERA.

New Year's Eve Bash

Dress up and celebrate the New Year with a bang on Saturday, December 31 at the Clubhouse.

The heavenly hors d'oeuvres (hot and cold) are incredible and the live music completes the epic evening with our always-in-demand Boatrockers to welcome in 2023. Co-sponsored by the Social Club and PEERA.

Watch for more details in the December Breeze.

We Need Your Votes!

Don't miss out on the rewarding opportunity to serve your community, bring out your inner volunteer and talent – and just have fun!

Calling all Social Club Members to cast your vote by November 30 for your fellow members (nominated in October) to be on the 2023 Board. Ballots went out on November 1 to give you 30 days to turn in your votes.

All instructions are on your ballot. Election results will be announced by the 2023 Board Elections Committee at the Social Club's General Membership Meeting on Saturday, December 3. The Elections Committee members are Leslie Dranko, Shirley Tisdall, and Linda Cockrell.

October 8 General Membership Meeting

The Social Club held its third-quarter General Membership Meeting on Saturday, October 8 at the Clubhouse. Board members updated attendees on membership status, financial reports, the 2023 Board Member election process, and upcoming events. Meeting minutes are posted on the Social Club bulletin board.

Tis the Season...Keep It Merry & Bright!

By Patty Gonzales, PEERA Board Member, Publicity

It is that time of year again, festivities, family gatherings and holiday shopping! Many of us consumers will avoid brick and mortar stores and choose to shop online instead. As such, it is important to remain vigilant and be aware of the cyber risks while online shopping. While legitimate businesses are after our money, so are cybercriminals. When it comes to holiday shopping, we should be wary of online criminals. These 10 cybersecurity tips will make our online shopping experience less risky, not to mention keep us in the spirit of the season and safer from those on the "naughty list."

1. Do Not use Public Wi-Fi for Shopping Activity

Public Wi-Fi networks can be very dangerous. While they may be convenient to use, they are not usually secure and can potentially grant hackers access to your personal information. Never log in to banking/financial sites or any site where the transaction involves sensitive personal data while logged into a public Wi-Fi network. If you do use public Wi-Fi networks, make sure that you are using a trusted network, that you do not allow it to connect automatically, and that you are completely logged out of it before logging into any site for transactions involving sensitive personal data. Please consider that it may be in your best interests to avoid public Wi-Fi networks altogether.

2. Make Sure eCommerce Shopping Sites are Legitimate and Secure

Shop at well-known retailers that you trust and where you have previously done business. Before entering your personal or financial information into an online commerce site, you must ensure that the site you are on is legitimate and can be trusted. Verify the site is the one you intended to visit by checking the URL. Also, look for the "lock" symbol in the URL bar and make sure "https" is in the beginning; indicating that encryption is used to protect your data.

3. Know What the Product Should Cost

Deal with legitimate vendors. The adage goes, "if it is too good to be true, then it probably is." 'Bait and switch' or 'teaser' scams run rampant during the holiday season!

Use a service like **ResellerRatings.com**; allowing users to review online companies and to share their experiences purchasing from those companies as part of your diligence in protecting your interests.

4. Do Not Use Debit Cards for Payment

When you are shopping online remember that it is best to use credit cards or payment services such as PayPal. Credit cards offer more consumer protections and less liability if your information were to be compromised. Alternatively, because debit cards are linked directly to a bank account, you are at a much greater risk if a criminal were to obtain this information. In a dispute regarding a purchase made with a debit card, you'll be in a weaker position because the merchant will already have your money and it may take weeks to get it back. With a credit card you'll have time to dispute a charge before any money is actually paid out.

5. Keep Systems Up-to-Date

Be sure to keep all of your internet accessible devices up-to-date. Most software updates improve security by patching vulnerabilities and preventing new exploitation attempts. This includes updates to your device operating system (OS), installed applications, and to your anti-virus software. This is one of the most important and easiest things you can do to help prevent criminals from exploiting vulnerabilities enabling them to access your information.

6. Think Before You Click

Scammers take advantage of the surge in holiday deals and communication to send out their own viruses and malware. Scams have significantly evolved in quality and can appear as legitimate discounts or reputable special offers. Be careful with messages regarding shipping confirmations and changes. Phishing scams include cleverly crafted messages that look like official shipping notifications. Always use official channels to stay

updated. As always, NEVER open an email from someone you do not know, did not expect to receive, or from a site you have not visited.

7. Use Strong and Unique Passwords

Creating strong and unique passwords is still the best security practice for protecting your personal and financial information. Make sure your passwords are sufficiently long and complex utilizing a combination of upper- and lower-case letters, numbers, and special characters. Consider creating a cryptic passphrase that is longer than the typical password, but easy for you to remember and difficult to crack.

MOST IMPORTANTLY, do not reuse passwords across multiple sites, especially between work and personal resources.

8. Avoid Saving Your Information While Shopping

Never save usernames, passwords or credit card information in your browser and periodically clear your offline content, cookies, and history. Avoid saving your payment information in your account profile when completing an online transaction. If the site autosaves your payment information, go in after the purchase and delete the stored payment details. Better yet, if the site has the option, check out as "guest" to avoid giving personal/payment information online.

9. Don't Share More Than is Needed

Be alert to the kinds of information being collected to complete your transaction. If the site is requesting more data than you feel comfortable sharing then cancel the transaction and purchase elsewhere. You should only need to fill out required fields at checkout.

10. Monitor Your Financial Accounts

Even with good cyber hygiene and best practices, you may still find yourself a victim of a cyber scam. Pay close attention to bank and credit card accounts and be sure to monitor your credit report to ensure that there is nothing out of the ordinary. You're entitled to one free credit report each year from each of the three major credit agencies.

May this holiday season fill your home with joy, your heart with love, and your gatherings full of fun and laughter. Cheers!

Dark in the Park...Blood, Sweat, and Spooktacular 318!

There is magic in the night when pumpkins glow by moonlight. When the witches go riding, and black cats are seen, the moon laughs and whispers 'tis near Halloween.

Halloween lovers go ALL out. Sure, other holidays like Christmas and Thanksgiving make us feel all warm and fuzzy while we deck the halls, but Halloween has a sense of humor and playfulness.

And remember that final haul of candy on Halloween night...Trick or Treat, bag of sweets, ghosts are walking down your street.

Thanksgiving Dinner

Co-Hosted by the Social Club and PEERA

Saturday, November 19, 2022
4:30 - 6:30 pm

There is no charge to residents but **RESERVATIONS ARE REQUIRED.**

PEE Residents can make reservations in the clubhouse on:

- Saturday, 11/5 10 am—12 noon
- Friday, 11/11 10 am—12 noon

If you are a resident, and are unable to go to the Clubhouse on these dates, reservations can be made by calling Leslie Dranko (SpC #225) at 760-295-2026 (no texts).

If there are any seats still available after noon on Nov. 11, reservations can be made for non-residents by calling Leslie Dranko (see phone # above). If you are unable to make a reservation for a non-resident due to the event being 'sold out', ask Leslie about our wait list.

Based on supply chain issues, we may serve turkey or chicken, whichever is available in the quantity needed for the event. And we're still planning to serve dinner with ALL the traditional Thanksgiving side dishes (e.g., Stuffing, potatoes, gravy, vegetables, rolls, and pumpkin pie).

Bring Your Own Beverage

(Soft drinks, coffee and tea will be provided).
Feel free to bring snacks and extra side dishes to share at your table.

Oh What a Difference a Year Can Make...

And from all of us here at *The Breeze*,
have a Happy Thanksgiving!
